Child Abuse Awareness Month

In the spirit of compassion and understanding, we recognize the profound weight of Child Abuse Awareness Month. It's a time to shine a light on the shadows, to offer hope where there has been darkness, and to remind each child that they are seen, they are valued, and they are loved.

Amidst these challenges, we understand the importance of helping our students maintain focus and thrive in their studies.

We believe in creating a supportive environment that not only acknowledges their struggles but also empowers them to rise above them with grace and resilience.

Together, let's be the beacon of unwavering support and encouragement, reflecting a community that cares deeply and acts boldly in the face of adversity.

Heavenly Father, we come before you with humble hearts, seeking your protection and guidance for all students in our nation. In Matthew 19:14, Jesus said, "Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." We ask for your divine presence to watch over every student as they embark on their journey of learning and growth. May they be surrounded by your love and wisdom, guiding them through challenges and illuminating their paths with knowledge and understanding. Just as Jesus welcomed children with open arms, we pray that our students feel embraced by your grace and find solace in your strength. May their minds be filled with curiosity, their hearts with compassion, and their spirits with resilience to overcome any obstacles they may face. Amen.
